

Remarks/Arguments

This application was allowed, in the Notice of Allowance dated September 18, 2007. The issue fee has not yet been paid. Applicants now request entry of the foregoing amendments, pursuant to 37 C.F.R. § 1.312.

After entry of the amendments, claims 1-15 and 18 are pending. New claim 18 is added, to recite the species of Example 1, which was inadvertently not included in the original claims. Support for claim 20 is found in the application at pages 19-22.

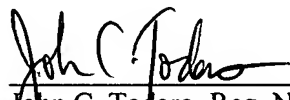

The amendments comply with the requirements of 37 C.F.R. § 1.312 and M.P.E.P. § 714.16. The amendments are needed to correct an inadvertent error, in the failure to claim the Example 1 species. The errors were not noted until review of the claims after allowance, prior to payment of the issue fee. Since the subject matter of claim 20 is within the subject matter of the allowed claims, new claim 20 does not introduce new matter into the claims and does not require any further examination.

In view of the action taken and arguments made, all pending claims 1-15 and 18 are now in condition for allowance. It is respectfully requested that the amendments be entered prior to issue.

Favorable action is earnestly solicited.

Respectfully submitted,

By
